Garbage not collected by the city

Recycling of televisions, refrigerators, washing machines, and air conditioners

1. Television (Cathode Ray Tube, Liquid Crystal, Plasma), refrigerators, freezers, washing machines, clothes dryers, and air conditioners cannot be collected by the city. Please recycle it in the following way.

When requesting collection.

When disposing of at the same time as purchase

→ Retailers to buy

→ Retailers who have purchased products that are no longer needed

→ The place to request varies depending on the region: Kushiro, Akan, and Onbetsu. For more information, please scan the 2D code at the bottom left.

In the case of disposal only

→

When you bring it directly to the designated pick-up location.

<Flow>

• Transfer the recycling fee at the post office. (A transfer fee will be charged.)

• Bring it to a designated collection point.

<Contact information for recycling fees and designated collection locations.>
