

Welcome to Kodomo Yugakukan

Kushiro Children's Museum
Kodomo-children, Yu-play, Gaku-learn
The place where children play and learn!

**Kodomo Yugakukan consists of two main facilities:
"Children's Play Hall" and "Science Museum" .**

Exhibition halls:

*1st floor: Asobi Land (Play Land): the children's play hall

*3rd floor: Fushigi Land (Wonder Land): the Science Museum and Star Egg (planetarium)

*4th floor: Monoshiri Land (A Man of Great Knowledge Land): the computer library and the experiment and craft rooms

***Asobi Land:**

Are there any children who wouldn't love Asobi Land? Let's begin your exploration with lots of fun at "the Net Jungle Gym" , a jungle gym in the air. Next, on to "Waku-Waku Town" (Exciting Town) where you can experience a variety of toys and more! No one can stop you!

***Fushigi Land:**

It's not just an ordinary science museum, but full of "Wonders" on water, light, vibration, and wind energies! And don't miss the Science Experiment Show at Science Spot or you'll be sorry! (Sat, Sun & National holidays)

***Monoshiri Land:**

Are you ready to be a little more serious about learning? Come to Monoshiri (A Man of Great Knowledge) Land where you can search for information on the Internet and study science on the computers and in the books! We also have the Experiment Room and the Craft Room where you can try out many different types of experiments and make paper and wood crafts! You just might become "a man of great knowledge" ! (Check the schedules for experiments and crafts.)

Star Egg (planetarium) (located on the 3rd floor, Fushigi Land)
